Operator Certification Rule

Title 48 LA Administrative Code

LAC 48:V.21 Chapter 73

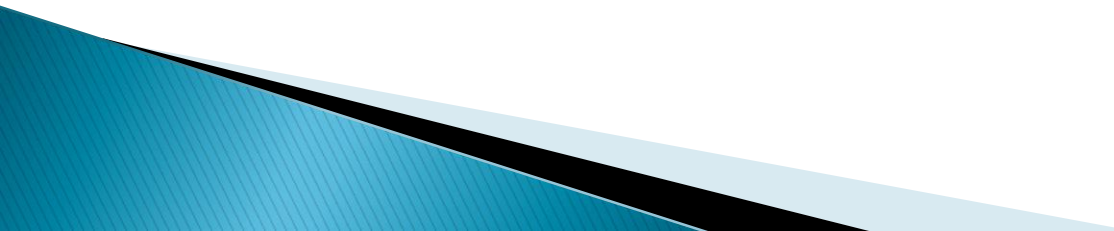

- ▶ The basic requirements for certification are set forth in R.S. 40:1141–1151
- ▶ The last major revision to the Operator Certification Rule was in 2002
- ▶ Rule Making Committee is currently drafting changes to Op Cert Rule that will be proposed to the Committee of Certification

Who Needs a Certified Operator?

- ▶ All Public Water Systems and all Community Sewerage System
 - Public Water System – Any water system that serves an average of at least 25 individuals at least 60 days out of the year
 - Community Sewerage System – Any sewer system which serves multiple connections and consists of a collection and/or pumping/transport system and treatment facility

Certification Requirements

- ▶ An operator shall demonstrate that, when not actually on site at the facility, he is capable of responding to that location within one hour of being notified that his presence is needed.
 - ▶ Systems operating multiple shifts are required to have a minimum of one certified operator on each shift.
- 

Act 236 & Act 112

(2005)

(2008)

- ▶ Surface water systems shall have a certified operator present at all times while the treatment facility is in operation
 - This section shall not apply to systems which serve less than 10,000 person and which utilize automated operation systems which monitor system operation, record all required readings, notify the operator in the event of a system upset or failure, and allow the operator to remotely control or shut down the system.

Certification Categories & Levels

- ▶ Water Production
- ▶ Water Distribution
- ▶ Water Treatment
- ▶ Wastewater Collection
- ▶ Wastewater Treatment

- ▶ Class 1 = $< 1,000$
- ▶ Class 2 = 1,001–5,000
- ▶ Class 3 = 5,001–25,000
- ▶ Class 4 = Over 25,000

Operator Requirements

- ▶ To become a Certified Operator or to upgrade the level of certification, you must
 - Have a High School diploma or a GED from an agency approved by the LA Department of Education
 - www.doe.state.la.us/lda/directory/1757.html
 - 1-877-453-2721
 - Pass an exam for each category and level
 - Meet the education and experience requirements
 - Apply for the Certificate

Operator Requirements

▶ You must pass an exam

- Exams must be taken and passed in sequence from Class 1 to Class 4
 - Passing grade is 70 or higher
 - If you fail an exam, you must wait a minimum of 90 days before taking the exam again
 - If you fail the same exam 3 times, you must attend a 40 hour course
 - Trainer must be notified in advance if you need a 40 hour course
 - You will not be allowed to take an exam for a certification higher than one level above that for which you are currently qualified
